

REMARKS

In the Office Action dated March 3, 2005, a restriction was issued in which three inventions were identified: Group I (claims 1-19); Group II (claims 20-40); and Group III (claims 25-27). Applicant believes that there was a typographical error made in the Office Action with respect to the invention of Group II – specifically, it is noted that the indication of claim 40 as being the end of the range of Group II is a typographical error. Clarification of the restriction requirement is therefore respectfully requested.

Applicant elects, without traverse, the invention of Group I (claims 1-19). Claims 20-27 have been cancelled, without prejudice, in favor of submission in divisionals.

Allowance of all claims is respectfully requested. The Commissioner is authorized to charge any additional fees and/or credit any overpayment to Deposit Account No. 08-2025 (200304388-1).

Respectfully submitted,

Date: _____
